THEIR PLURALITY WILL AMOUNT TO ALMOST SEVEN MILLION, RECEIVING FOUR HUNDRED AND SOME ODD VOTES IN THE ELECTORAL COLLEGE; CARRYING THIRTY-SEVEN OR THIRTY-EIGHT STATES; TENNESSEE, ARIZONA AND OKLAHOMA SWINGING IN LINE FOR THEM.

IT WAS THE GREATEST AND THE MOST UNPRECEDENTED PRESIDENTIAL ELECTION IN AMERICAN POLITICS, OR SINCE THE FORMATION OF THIS GOVERNMENT.

PRESIDENT WOODROW WILSON AND HIS LEAGUE OF NATIONS WAS THE GREAT LOAD STONE AROUND THE NECK OF THE DEMOCRATIC PARTY, WHICH FINALLY DRAGGED IT DOWN TO WRECK AND RUIN, HURLING ITS PRESENT WOULD-BE LEADERS HEAD LONG INTO THEIR POLITICAL GRAVES.

HON. LEN SMALL ELECTED GOVERNOR OF ILLINOIS WITH ALMOST FIVE HUNDRED THOUSAND MAJORITY; COL. AUGUST W. MILLER, CLERK OF THE CIRCUIT COURT OF COOK COUNTY, RE-ELECTED BY THREE HUNDRED AND FIFTY THOUSAND; HON. PETER M. HOFFMAN RE-ELECTED CORONER WITH ALMOST FOUR HUNDRED THOUSAND MAJORITY; HON. JOSEPH F. ILLINOIS ROLLED UP ALMOST NINE HUNDRED THOUSAND MAJORITY FOR HARDING AND COOLIDGE, AND MAYOR WILLIAM HALE THOMPSON BECOMES THE UNDISPUTED HIGH CHIEF OF THE REPUBLICAN PARTY IN CHICAGO, COOK COUNTY AND THROUGHOUT THE STATE OF ILLINOIS.

No one at the present writing can fully portray or estimate the far reaching results of the outcome of the Presidential election held on Tuesday, it seems that the vast majority of the American people would have been perfectly willing to have voted for the Hon. Warren G. Harding for President of the United States even if he had been as dark in the face as the ace of spades, in order to duck out from under the League of Nations, even the people residing in such hard-shell Democratic states as Tennessee, Arizona and Oklahoma finally broke away from the solid South and their electoral votes were transferred over in the Republican column, the old moss-back Democrats residing in those states at last concluded that in the end it would be far better for them to face about and vote with what they have always been pleased to call the Negro loving Republicans rather than to continue to march under the banner of the Democratic party, headed by President Woodrow Wilson and the other present leaders of that party, for it was the first time since 1868, that the majority of the bat-eyed people residing in Tennessee permitted themselves to vote in favor of permitting the Republicans to conduct the affairs of this government.

It seems that they in common with millions of Democrats in all parts of this country were fully determined to side step Hon. James M. Cox, his god-father, President Wilson, and all of his wet nurses who are or were in favor of permitting England to enjoy six votes in the League of Nations to one vote for America, at the same time old hog all England wanted this country to furnish her with all the money, all the guns and with all the soldiers she needed and then she would be in a far better position to bully or lord it over the United States and with American soldiers, guns and money she could continue to wage bloody war against her enemies at the expense of the United States.

Those were the heavy straws which finally broke the camel's back and caused the greatest landslide that has so far occurred in the political history of America, at the same time sending the National Democratic party to the scrap heap for many years to come for after March 1, 1921, true or one hundred per cent Americanism will be the order of the day and this government will once more be placed on a peace footing and not on a war footing.

It is estimated that after the votes are all counted up in all parts of this broad land that President-Elect Harding will have a plurality of almost seven million and that he will have more than four hundred votes in the electoral college; that he has carried thirty-seven or thirty-eight states one or two of them with majorities reaching over one million, the grand old State of Illinois gave him almost nine hundred thousand majority.

The electoral votes throughout the Union were divided as follows between Hon. Warren G. Harding and James M. Cox:

Here in Illinois the Chicago Tribune and the Chicago Daily News and all the evil or secret forces covered up behind them waged a most bitter fight against Hon. Len Small and his friends and backer, Mayor William Hale Thompson, but in spite of the Chicago Tribune and the Chicago Daily News and the other bitter enemies of the common people Hon. Len Small was elected Governor of Illinois by almost five hundred thousand majority and he has already solemnly promised to administer all of the affairs of this great state in the interest of all of its citizens.

HON. CALVIN COOLIDGE.

Elected Vice President of the United States.

### SCENE OF RACE RIOT QUIET; NEGROES DESERT REGION.

Orlando, Fla., Nov. 4.—Reports from night from Ocoee, near here, where an election day race riot caused the death of two white men and a number of Negroes, indicated that quiet prevailed and that practically all Negroes had left the region, nearly all of them afoot, as there was no exodus by rail. The white citizens have begun harvest-

### CONGRESSMAN MARTIN B. MADDEN CONGRATULATES PRESIDENT-ELECT HARDING ON HIS GREAT VICTORY AT THE POLLS ON TUESDAY.

The following is a copy of a letter which has been forwarded to Hon. Warren G. Harding at Marion, Ohio, by Hon. Martin B. Madden:

Chicago, November 3, 1920.

Honorable Warren G. Harding, President-elect of the United States, Marion, Ohio.

My dear Senator Harding:

I am so happy at the outcome I hardly know what to say about it. It does not surprise me at all because for the last three months it seemed to me that everybody had decided what they were going to do. It is evident they are for America, and that they want an American policy there can be no doubt. The verdict expresses the confidence of the country in your Americanism. You are of course to be congratulated, but the thing is so overwhelming that that seems superfluous.

The election places a great responsibility on your shoulders. The Republican party will be expected to make good. Co-operation will be an essential need in the success of your administration. The work of the administration must embrace a policy broad enough to justify the verdict. It should include:—

An all-embracing Americanism. Devotion to the public weal. Service to the people without distinction.

No entangling alliances with foreign nations.

Assumption of the Nation's place in world affairs as approved by the people and directed by our own Government.

A patriotism that knows no turning in war or peace.

A Nation of laws and not of men.

God grant you health and strength to lead America forward to her proper destiny, to preserve her for the generations yet to come, protect her independence, and make her the beacon light to lead the way in world thought and commerce.

To co-operate with you in the great work before you will be my greatest pleasure.

Cordially and sincerely yours, Martin B. Madden.

### JACKSONVILLE, FLORIDA, SEES MARCH OF KLUX KLAN.

Jacksonville, Fla.—Five hundred members of the Ku Klux Klan marched through the streets of Jacksonville last Saturday night following the "flaming cross emblem of the order" supposedly "as a warning to Negroes to attempt no lawlessness at the polls."

The parade of the white masked Klan was staged despite request from national Negro organizations sent to the local police department, city officials, and to state officials at Tallahassee. Before the parade two mounted and masked men rode through the street warning motorists to get their autos to the curb. One of the men carried a bugle which he blew at intervals. The other made this announcement: "We are a band of determined men and will brook no interference."

The main body of the parade was afoot. Crowds watched them from the curb. All the marchers were silent, the only messages being delivered on banners: "We were here yesterday." "We are here forever." "Duty. Fearless and without reproach."

Negroes were scarce. Few witnessed the parade. There was no disorder.

The city officials of Jacksonville should be imprisoned for permitting a band of outlaws and cutthroats to boldly march through its streets without attempting to arrest them or shooting them down in cold blood.

The colored newspapers are always boasting or publishing something complimentary about preachers' doings, but strange as it may seem, few if any of the preachers ever say a word from their pulpits about the colored newspapers. Can you tell us why?

Rev. and Mrs. W. D. Cook have removed from 3155 Calumet avenue into their own home at 4732 Evans avenue.

HON. LEN SMALL.

Elected Governor of Illinois with almost five hundred thousand majority to his undying credit, and he solemnly promises to conduct all of the affairs of this great state in the interests of all of its citizens.

HON. WILLIAM HALE THOMPSON.

Mayor of Chicago, who has become far-famed in all parts of the world as the champion of the rights of the laboring people, who has become the new high priest of the Grand Old Party throughout the state of Illinois.
